

Consider guiding for Murray River Walk

Invitation

Murray River Walk invites anyone interested in guiding in our walking season (May to September), to complete the Expression of Interest requirements outlined below.

Our Product

Murray River Walk is a guided, multi-day walking journey entirely within the internationally significant Riverland Ramsar wetland of international significance. The product combines 40km of guided walking and 70km of guided river cruising to deliver a unique journey to guests.

MRW is based in the Riverland, South Australia, departing from Renmark on a Monday morning and returning Thursday afternoon.

Murray River Walk is one of the Great Walks of Australia and is Ecotourism Certified.

Our product combines some of the best Riverland and Murray River experiences over 4 days and 3 nights; a peaceful walk in nature, creek cruises, spacious houseboat accommodation, superb regional food and wine.

Our aim is to help our guests discover the magic of the Murray River, its beauty, its people, its history, its culture, its wildlife, its stewardship and its challenges.

Our guides

Our guides are at the core of the walker experience, making this one of Australia's finest guided walks.
